

For every \$5 ticket sold, \$6 will be invested back into Mission's children's programs, activities and resources.

Programs supported this year in Mission include storytelling kits at the Mission Library, extended programming hours at Family Place, increased car seat and booster installation clinics from the Mission Child Safety Committee and continued early literacy programs at WHIN. For more detailed information please see the document Early Childhood Development Committee Grant Selection for 2006 in the Library section of this website.

Thank you for supporting Mission's children and families!
